* Rdeča Raketa - Wir Werden (LP)

Wir werden (We will) (godrec11) is the second release of the viennese duo Rdeča Raketa (Maja Osojnik & Matija Schellander). Wir werden consists of two carefully composed pieces each spanning one side of the vinyl album, organically blending various electronic sound sources and field recordings with acoustic instruments like paetzold recorder, double bass and piano. Opened and closed by spoken word lyrics, Wir werden deals with the past repeating, movements and their absence in front of systems appearing to be crumbling, relationships between people and their inner fears.
